## TO THE GENERAL PUBLIC:

The Sweetheart's dance is just one week from today, which means that you folks don't have much time. So if you haven't got a date yet, be sure you ask that "special someone" this weekend!

Tickets will be on sale today and all of next week, so be sure to stop and get yours, they're \$6.00 per couple, while they last.

Voting for King and Queen will be held today, Monday, the 11th, and Wednesday the 13th. Everybody should stop and vote for whom they would like to see reign as King and Queen.

## "FREE TO BE ME" - FILM SERIES -

Tuesday night, 9 p.m. in Clare Hall, and Wed. at 11:30 in the Home Ec Lab in Clare Hall (bring your lunch or cafe tray; coffee is available.) In this segment of the series John Powell nationally known author and speaker, discusses how our way of looking at life affects the quality of our relationships. Everyone is welcome; Bring a friend. Sponsored by Campus Ministry.

\*\*\*\*\*-2-

TO THE MEMBERS OF MARIAN COLLEGE - AND  
-AND ESPECIALLY TO "JUST A FRIEND"

I am very frustrated at the attitude of a few particular people who sign themselves, "just a friend" in the autograph book in the library. This book is for the friends of the artist who is having the show, to sign their names in, and, if they wish, they may write a comment. This is also for people who do not know the artist, but who may either appreciate all of the work that is involved in a show (there IS work involved... and plenty of it!) or they appreciated the style or a particular piece. Favorable comments are always welcome. If you do not like a particular style of art, please do not feel that you are required to make a comment. Quite the contrary. Please, do not contribute to the autograph book (which is presumably for good memories).

It is not my intention to discourage people from signing autograph books. It is my intention to discourage "cute" remarks which are really cut downs. This is not the first time it has happened and I can only hope that it will be the last.

Support your local artist!

An art student

(Ed. note: Well said. Remember, when signing the autograph book to have some respect for the artist, after all you are under no obligation to sign in the first place, let alone comment. However, if you feel your criticism is constructive and warranted, then you should have enough respect for your own opinion to sign your name to it.)

## TO THE MARIAN COLLEGE COMMUNITY

The fourth Open-College Forum is scheduled for Thursday, February 14, 1980, at 12:15 p.m. in room 251. The Forum will be primarily devoted to the Quality Undergraduate Education Project and the progress being made by the campus team.

Again, the Forum is open to all interested faculty, staff, and students.

## TO THE USERS OF THE UNIVERSAL GYM,

A few days ago I went down to the old mixed lounge and discovered that two sections of the weight lifting machine were unavailable for use. It became quite apparent that the disrepair was caused by wreckless use and abuse. Please, if you want to use the machine be careful and take special care when inserting the pins. There have been other times when I witnessed pins inserted wrong and bent beyond repair as a result. It is frustrating to go down to use the machine and find it in such a state. If you don't know how to use the machine, there are many people like myself who are willing to show you how. This piece of equipment is expensive to purchase and repair. I consulted Coach Grimes about the matter and he said "I could lock up the pins so that no one could use the machine but that defeats the purpose of having it there and it (Continued on Page 5)

LOOKING FOR SOMETHING INTERESTING AND DIFFERENT?

Plan to attend the Ecumenical Student Conference sponsored by the Indiana Office of Campus Ministry on Friday night, February 15th to Saturday at 4 p.m. at St. Maur's Conference Center in Indy. The theme, "Expressions of Christian Community: Fellowship, Intimacy and Service", will be presented by Ernie and Susan Collamati. The conference is a good opportunity to meet other college students from Indiana who are from a variety of Christian Denominations, and to share fun, fellowship and faith with them. The cost is only \$5.00. Registration forms can be found on the bulletin boards by chapel and the Ministry Center, or from Sharon Roell, Christy Wesselman, Ann Rody or Sr. Sue.

ATTENTION: HOME EC. MAJORS

Tupperware Home Parties is pleased to announce its Eighth Annual National Newspaper Food Editors' Internship competition. This is an excellent opportunity for college juniors and seniors majoring in journalism or home economics to compete for a ten-week paid internship on the food staff of a major newspaper during the summer of 1980. The maximum grant is \$2,000.

The Deadline for entries is April 1, 1980. The full details are posted on the bulletin board outside of the Home Ec. Lab in Clare Hall. Entries will be judged by a panel of experts in the home economics-journalism-news-paper fields. The winner will be announced after May 15, 1980.

## ALL IN A WORD

There are ages in images  
that make me peak deeper  
into the Times with yesterday's male.

The gradation of graduation  
from one step  
to the topple of the steeple  
was a hard climb  
but i clung to the cord of my ancestor's womb

i remember the member  
i severed but served in the past  
and i thought i ought to tell you  
there's hardly a difference between  
missing and reminiscing.

i must stand up high  
before i'm understood  
i stand with my standards  
and vie with my vices  
there's an ailing in failing  
and i feel so deep that i'm climbing to my fall.

The steps i have taken  
are hard as cement was meant to be  
i can find no room  
on my board for boarders  
who flank on the plank in a line  
that i cast out to see  
the real me.

Now i knead the needs  
i once had in hades  
and write runes to the ruins of my past.  
the cape of escape  
hovers but not covers  
the past  
in a pasted collage of age.

There's some taunting in haunting  
and i want to light the light  
that lives in living.  
Release the ark from darkness  
and put it to sail  
for the account of the discounted male  
Because freedom is no longer free.

MY DEAR MARIANITES,

Thanks, to all those who filled out the questionnaire,  
you've been a great help, to the Carbon and to Guinness.  
(To those of you who haven't, keep reading, I'll explain.)  
Before we publish the BIG results, we need to gather a  
few more.

To those of you who we're proud of, encourage your  
friends to join you in basking in our fondness.

To all you guys still in the dark, listen to your friends.

For those of you who missed out on the distrubution  
of the questionnaire for the "Guinness Book of College  
Records", or didn't have a writing instrument with you at  
dinner last week, (I refuse to believe that it was due to a  
lack of enthusiasm for having Marian College appear in a  
National publication) here's another chance.

At Carbon pick-up spots you will find a box with poll  
sheets in them. Please fill one out so we can have a more  
representative account of the College's attitudes. They  
can be returned by slipping them under the Carbon Office  
door (Clare Hall) or at any of the locations listed on the  
Questionnaire.

Please return by February 15, 1980.

Thanks Bunches.

## KNIGHTLY NEWS

In the last issue of the Carbon, I told you that the Knight's had a record of 13 - 5. Since then, the Knights had a disappointment a week ago yesterday when they travelled down to New Albany to play I.U. Southeast. We got beat 62 - 58. Leading scorers that night were Jim Brothers with 16 and Chad Miller with 11. They played Bethel last Sunday and won 74 - 64. This was an impressive win for them as the playoffs are getting closer to reality. Top scorers for this game were Chad Miller and Brian Feldman who contributed 23 points each. They also played Wednesday night down in Crawfordsville against Wabash. The Knights won 79 - 74. The top scorer for the game was Phil Sarvari with 25, Chad Miller with 19 and Dale Wernke with 16. With the game, the Knights cut Wabash's 7 game winning streak. So now the record for the Knights stands at 15 - 6.

The Knights have four games to play. They play tomorrow night at the Armory against Marion; it is also Blue & Gold Night so wear blue and gold to the game. They play next Tuesday (Feb. 12) at Franklin, next Saturday (Feb. 16) at Indiana Tech and the final game against Grace (Feb. 23) here at the Armory. See you tomorrow night in your blue and gold.

## CORKY'S CORNER

Hey Chumlies,

I have both good news and bad news. The good news is that the basketball team has added three more wins to their list and the bad news is that we only have four more home games left. So we need all of our fans supporting us and attending these last few games. Last Thursday we played and beat Indiana Central with the score of 65 to 52. We played Franklin and overtook their final score of 50 by our 58. Last night we played Hanover at home and whopped 'em with the final score of 68 to 56. On February 11 we play St. Joe and on February 13, we play Earlham. Both games are home too, so please come and cheer us on to two more victories. See ya next week.

*Corky*

(Ed. note—Watched these women play last Saturday. Great game. Should've been there!)

## FRIENDS

When this old cruel world  
Starts to getting you down  
And you find you're not quite happy  
With the fruits of life you've found  
Just pick up the phone and give me a call  
And I'll be there to see you through it all  
When you need a friend  
I'll stay to the end  
All you need's a little love  
you can count on me  
To set you free  
All you need's a little love  
Now I've been thinking of the world at hand  
And I'm trying to devise my own master plan  
But emotions cloud my way  
I've seen the light  
But I still can't find my way  
When you feel that you're alone  
Just dial your telephone  
And I'll be there at your front door  
Cause I've been through it all  
Through it all before  
When you need a friend  
I'll stay to the end  
All you need's a little love  
You can count on me  
To set you free  
All you need's a little love
